

BRITISH ENGLISH PHONETIC TRANSCRIPTION

Paul Carley and Inger M. Mees

Key to Chapter 6

This key contains only the most common pronunciation variants for each word, i.e. those which are most relevant for learners. Specialist pronunciation dictionaries, such as the *Longman Pronunciation Dictionary* and the *Cambridge English Pronouncing Dictionary* are excellent for their comprehensiveness, but contain many marginal and uncommon pronunciations, and so should be used with caution.
